

Families will experience...

A warm and welcoming environment.

Opportunities for your child to build foundational skills academically, socially, emotionally and spiritually.

Encouragement to explore through play with a purpose.

Opportunities to build relationship skills and make lifelong friends.

A Bible-based curriculum that will show them how much God loves them and wants to be their lifelong friend.

“One thing I looked for in a childcare center was teachers that felt like an extension of our family. We were blessed to experience the love, safety, and developmental opportunities that Eastridge Christian Learning Center provided our daughter. The teachers are fantastic and truly do feel like they are a part of the family, sharing our excitement as our daughter hit various milestones. - **TIFFANY J**”

“Eastridge is the best center on the Eastside in my opinion! Our little girl has gone here since she was 3-1/2 months old and has thrived in so many ways. Eastridge is not like other daycares in that it feels like home when you walk in. The kids are so incredibly loved and learn and grow so much here. I highly recommend them!”

Our Mission

The Mission of ECLC is to reach the families in our community with the love of Jesus. We strive to provide a warm and welcoming environment where each child develops a love for learning. This is achieved through curriculum that focuses on their cognitive, physical, social-emotional and most importantly the spiritual needs of each child that is entrusted to us. It is our hope that you come to view us not only as teachers but as a part of your family. We are committed to investing in the next generation of world changers!
